**GENERAL PRICE LIST**

These prices are effective as of April 27, 2016  
They are subject to change without notice.

The goods and services shown in this General Price list are those we can provide our customers. You may choose only those items you desire. **However, any funeral arrangement you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy an item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. "Prior to drafting any contract for goods or services, the Responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for in full or part, by or on behalf of the decedent."

.....

You will note that we offer Personalized Service Packages. These packages include many of the most commonly selected services and are offered at a discounted cost from that of the total Itemized cost. The funeral director handling your arrangements will further explain these packages to you.

.....

Unless other arrangements have been made prior to need, payment for goods and services is **EXPECTED** prior to the services being rendered. For your convenience, we accept cash, check, and verifiable irrevocable insurance assignment; also, Visa, MasterCard, American Express and Discover Credit Cards are accepted.

.....

The Funeral Director handling of your arrangements will be able to further explain the goods and services offered, as well as handle any questions or concerns you may have. For more information on Funeral, Cemetery and Cremation Matters you may contact:

**BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$1,000.00**

This basic charge to each family we serve for our professional expertise in assisting them. It includes, but not limited to, maintaining qualified personnel available 24 hours a day, 365 days a year; Consultation with the family; clerical and administrative services; preparation and filing of necessary permits and documents; consultation and coordination with all parties involved in the final disposition of the Deceased, such as clergy, cemetery, crematory, or common carrier; preparation and placement of obituary notices; and planning the funeral. Also included in this charge is a proportionate share of the taxes, license, utilities, and other business expense necessary to serve the public in a professional manner.

This fee for our basic services and overhead will be added to the total cost of the Funeral arrangements you select. *(This fee is already included in our charges for direct cremations, immediate burials, forwarding or receiving remains and other service packages offered).*

**EMBALMING \$400.00**

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person who is licensed by state must complete this procedure. Except in certain cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. The body may also be refrigerated until the day of the service.

We offer many different styles of caskets, as well as alternative containers from which to select.

While many caskets often appear similar, they may differ greatly in quality and construction. The following casket classifications are provided to assist you in making an informed decision relating to casket selection.

**PROTECTIVE:** These caskets are designed by the manufacturer to resist the entrance of air, water, and outside elements. They may be constructed by varying gauges of steel (including stainless steel), copper or bronze. There is no scientific or other evidence that any casket with a sealing device will preserve human remains

**NON-PROTECTIVE:** These caskets are not designed by the manufacturer to resist the entrance of air, water, or other outside elements. They may be constructed of metal, hardwood, wood products covered with fabric or a veneer laminate, or heavy cardboard.

## DISCLAIMER OF WARRANTY

The only warranty of the casket or any merchandise sold in connection with the funeral arrangements is the express written warranty, if any, granted by the manufacturer. *This Funeral Home makes no warranty, express, or implied, including an implied warranty of merchantability and an implied warranty of fitness for a particular purpose, with respect to the casket.*
